

# THE POWER OF TOGETHER

- @rr2capital
- @rr2capital
- rr2.capital

## Introduction

With a deep knowledge of the crypto industry, RR2 thesis is to invest, partner and support teams building on blockchain technology. Accelerating and growing early-stage companies since 2017. Focused on AI, RWA, Gaming and DeFi while being open minded to a fast-changing industry.

## Vision

We aim to capture this value by investing into these teams and using our resources to assist in adoption and stronger awareness.

## Services

### EXCHANGES NETWORK

Connecting with the main centralized exchanges (CEX) to help with listings and potential venture investing and decentralized exchanges (DEX) for liquidity and listings.

### MARKETING ADVISORY

Extensive marketing workforce of 30+ KOL (influencers) who help amplify key events and fundamental research and threads.

### LAUNCHPAD STRATEGIES

Helping with Launchpad strategies. We work with the best names in the industry to ensure the most professional launch of projects.

### ADVISORY SERVICES

Covering industry insights, market timing/ cycles. Introduction to partner VCs and Angel investors. We have experience in tokenomic design and vesting recommendation.
